### THE BEACHES OF PUNTA CANA

Some of the best beaches in the Caribbean are found in Punta Cana, Dominican Republic. Bavaro, El Cortecito, and Juanillo Beaches are three favorites of travelers and locals alike. The soft white sand and tall coconut palm trees make for the quintessential romantic setting. Relax together while listening to the waves ebb and flow against the shore. Read a book, listen to music, or enjoy a picnic while laying on a cushy lounge chair overlooking the blue and turquoise Caribbean Sea. One resort found on Bavaro Beach is Secrets Royal Beach.

Stop by the grass hut beach bar and sample fresh tropical flavors. Nothing beats sitting on the stools dangling your feet coated in sand sipping a golden margarita, a rum libation, or a Presidente, the local Dominican beer. Enjoy a romantic meal at the beachside grill where the palm trees shade you from the radiant sun but provide a colorful backdrop against the stark blues of the ocean.

On Juanillo Beach, another Secrets property, the larger, Secrets Cap Cana, sits on a wide expansive beach. At Secrets Cap Cana, guests can enjoy beachfront views with swim out pools directly off their rooms. The setting of the semi-secluded personal pools right up to the gorgeous beach is a treat for guests looking to enhance their resort experience. El Cortecito beach is for the couple looking for a little adventure. The bustling hot spot has options for wind sports, motorized water activities, and so much more. If a beach vacation is what you seek, then Punta Cana will not disappoint.
